In this workshop we will:

- ~ discuss the psychology and importance of art in the Montessori classroom
- ~ creatively connect art to all areas of the Montessori classroom
- ~ identify common classroom weaknesses and discover solutions to create a complete art area with confidence
- ~ use a wide variety of art materials to present a self-motivated art curriculum designed to grow with the young child
- ~ each create a mini art portfolio

This workshop is designed for Primary and Lower Elementary classrooms. Upon request we will present options for Pre-Primary and Upper Elementary.

Each attendee will receive a correlating booklet of presentations.

**Presenter, Diane Capasso** is a certified Montessori director and has been involved in Montessori education since 1984.

In 1997, Little Strokes of Genius was born from her love of teaching and her passion for art.

Diane combines a contagious enthusiasm with a creative teaching style proven to be highly appealing to students, parents and teachers.

Little Strokes has been warmly received by Montessori, public and private schools for over 20 years. Our unique program offers; teacher training workshops, weekly children's art history classes, on-site children's art workshops, summer camps, holiday workshops, and group installation projects.

We are proud to offer our Instructional DVD series.
